BIRKMAN COLOR KEY

We take these four colors seriously at Birkman. Our use of color becomes shorthand for understanding fundamental differences between people. Below is a breakdown of the significance of each Birkman color.

RED	<h2>DOER</h2> <p>RED is the Birkman color for people who prefer to make quick decisions and get results. Reds are direct and action-oriented and give full attention to the task at hand. Reds enjoy building, working with their hands, organizing people and projects, solving practical problems, and producing an end product they can see and feel. Reds are objective, energetic, commanding and enjoy team competition. Reds get results through action.</p>	<h2>COMMUNICATOR</h2> <p>GREEN is the Birkman color for people with a strong desire to communicate and work with people. Every time you see a Green, they are selling, persuading, promoting, motivating, counseling, teaching or working with people to get results. Greens who believe in a product, service or idea can communicate about it with ease and a natural confidence. If you want someone to win friends and influence people, a Green is your person for the job.</p>	GREEN
YELLOW	<h2>ANALYZER</h2> <p>YELLOW is the Birkman color for people who love working with processes, details, definitions and rules. Yellows enjoy doing careful and detailed calculations, scheduling, recordkeeping, and establishing systematic procedures. They are usually comfortable with numbers, place a high priority on being fair, and are cautious and thorough in analysis. Yellows are task-oriented and often prefer indirect communication methods including forms, rules and regulations. If you need to get organized, find a Yellow.</p>	<h2>THINKER</h2> <p>BLUE is the Birkman color for the concept and idea person. Blues love innovation, being creative and long-term planning. They enjoy abstract thinking and discovering new ways to solve problems. Blues thrive on generating fresh ideas and coming up with the most viable solutions for the problem at hand. Blues tend to be introspective, and while they love originality and innovation, they may need to be around other creative individuals to trigger the spark.</p>	BLUE

YOUR BIRKMAN MAP

Your Birkman Map® provides an aerial view of who you are and allows you to see how and where you fit into the big picture.

BIRKMAN MAP

The Symbols on your Birkman Map identify who you are on two key dimensions. The placement of the symbol within a color quadrant represents the degree to which you display similarities to that color quadrant. The left and the right sides of the map (horizontal axis) represent your preference for dealing with tasks or people. The top and the bottom (vertical axis) represent whether you are more extroverted or introverted in your style.

-  **INTERESTS** - The Asterisk represents what you like to do and where you gravitate in terms of activities you enjoy.
-  **USUAL BEHAVIOR** - The Diamond represents how you usually behave. These are your strengths, and they compose your best, most productive style. This is how other people see you. Usual Behavior is how you act when your Needs have been met.
-  **NEEDS** - The Circle represents how you need to be or expect to be treated by other people and your environment. Needs often remain hidden or invisible to others.
-  **STRESS BEHAVIOR** - The Square represents your frustrated behavior. This is your reactive, unproductive style. Stress Behavior is how you act when your Needs have not been met for an extended period of time. You may see some of the challenges you face arise here.
